NOTIFICATION OF DOCKET ENTRY

This docket entry was made by the Clerk on Wednesday, November 17, 2021:

MINUTE entry before the Honorable Philip G. Reinhard: On or before November 22, 2021, the parties shall each file a supplemental memorandum addressing the following: 1)The application of *Murphy v. NCAA*, 138 S. Ct. 1461 (2018) to this case, discussing both its application of the anticommandeering doctrine and its discussion of preemption ("Our cases have identified three different types of preemption 'conflict,' 'express,' and 'field,'but all of them work in the same way: Congress enacts a law that imposes restrictions or confers rights on private actors; a state law confers rights or restrictions that conflict with the federal law; and therefore, the federal law takes precedence and the state law is preempted." *Id.* at 1480 (emphasis added). "[E]very form of preemption is based on a federal law that regulates the conduct of private actors, not the States." *Id.* at 1481. 2)Generally, where some Illinois local governments have entered contracts to provide a category of services, for example information technology services, to other entities, and those contracts allow either party to voluntarily terminate the contract, can the State of Illinois by statute require the service-providing local governments to exercise their contractual right to terminate those contracts by a certain date? Electronic notice(sb,)
